### **POSITIVE PROFIT ALERT — REDUCTION IN LOSS**

This announcement is made in accordance with Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of South China Financial Holdings Limited (the “**Company**”) wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Company and its subsidiaries (collectively, the “**Group**”), and the information currently available to the Group, it is expected that the Group will record a net loss of approximately HK\$23 million for the year ended 31 December 2025 (the “**Year**”) as compared to the net loss of approximately HK\$295 million for the year ended 31 December 2024. The significant reduction in loss is mainly attributable to: (i) reduction in fair value loss on investment properties for the Year amounted to HK\$40.7 million (2024: HK\$223.4 million); (ii) improvement in gross revenue from broking and trading investment segment driven by a positive shift in securities market sentiment in Hong Kong; and (iii) reduction in other operating expenses for the Year due to the downward adjustment on rental and staff-related expenses attributable to the Group’s overall refined expense management.

As the Group’s results for the Year are subject to further review and have not been finalised, the information contained in this announcement is solely based on the information currently available and the preliminary review by the Board of the unaudited revenue and other financial information of the Group for the Year, which are subject to finalisation and necessary adjustments and have not yet been audited. The Company is in the process of finalising the annual results of the Group for the Year. Therefore, the actual consolidated results of the Group for the Year, which are expected to be released and set out in the annual results announcement of the Company before end of March 2026, may differ from the information contained in this announcement. Shareholders and potential investors of the Company are therefore advised to peruse the results with care when the results announcement is released.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
